Accordingly, defendant should make his request to the district court for the Southern District of Florida.² The instant motion (R. 13) is dismissed without prejudice to refile in the Southern District of Florida.

¹Judge Curran sentenced defendant in 1992. The case was reassigned to me on Judge Curran's retirement.

²It appears that defendant has made – and the court has granted – a similar request in another case defendant has in Florida. (R. 14.)
